Frequently Asked CME Questions

Why do I only see the send button for certain activities and not for others?

Only CME activities which meet the following criteria are eligible for sending to [NCCPA](#):

1. The CME was completed within your current earning window, which is displayed at the top of the page.
2. Credit type is AAPA Category 1 CME Credit or AAPA Category 1 Self-Assessment CME credit.

In which earning window will my credits be logged?

CME credits will be logged to the earning window displayed in your [PA Portfolio](#) CME tab. If allowed, you may recharacterize the credits to another earning window in your [NCCPA](#) record.

I have entered a CME activity in NCCPA's PA Portal. Why is that activity still showing in PA Portfolio with the send button enabled?

[PA Portfolio](#) only knows what you have done within PA Portfolio itself. If you enter or update a CME activity directly on NCCPA's PA Portal, it will not be reflected in PA Portfolio.

Is there a cost to submit my CME credits to NCCPA?

There is no cost to submit AAPA CME to NCCPA, however members (and nonmember subscribers to PA Portfolio) may more easily transfer CME credits to NCCPA via [PA Portfolio](#).
