Frequently Asked CME Questions

Will I have access to the recording if a session is recorded?

Yes, if a session is recorded it will be available after the conference. You will have access to the session recordings until December 31, 2024.

Can I submit my CME credits electronically to NCCPA?

Yes. First, claim your CME credits in [Learning Central](#). Any Category 1 CME you complete in Learning Central is automatically transmitted to AAPA's [PA Portfolio](#). From PA Portfolio you can transfer AAPA-earned Category 1 CME credits to [NCCPA](#). In the CME section, simply select the CME credits you wish to send to NCCPA and click Send.

Why do I only see the Send button for certain activities and not for others in PA Portfolio?

Only CME activities that meet the following criteria are eligible for sending to [NCCPA](#):

1. The CME was completed within your current earning window, which is displayed at the top of the page
2. Credit Type is AAPA Category 1 CME Credit or AAPA Category 1 Self-Assessment CME Credit

In which earning window will my credits be logged?

CME credits will be logged to the earning window displayed in your [PA Portfolio](#) CME tab. If allowed, you may recharacterize the credits to another earning window in your [NCCPA](#) record.

I have entered a CME activity in NCCPA's PA Portal. Why is that activity still showing in PA Portfolio with the Send button enabled?

[PA Portfolio](#) only knows what you have done within PA Portfolio itself. If you enter or update a CME activity directly on NCCPA's PA Portal, it will not be reflected in PA Portfolio.

Is there a cost to submit my CME credits to NCCPA?

There is no cost to submit AAPA CME to [NCCPA](#), however, members (and nonmember subscribers to PA Portfolio) may more easily transfer CME credits to NCCPA via [PA Portfolio](#).
