

Attendees by the Numbers

AAPA 2024, the world’s largest PA (physician associate/physician assistant) and PA student conference and expo, hosted by AAPA, the profession’s national organization. AAPA 2024 hosted over 4,960 PA and PA students in Houston, May 18-22.

AAPA invested in Beacon Technology to track attendee (not exhibitors) behavior and gauge the number of attendees in certain locations of the convention center at the same time to improve future meetings.
