## Earn Your Ivy League MPH Online Without Disrupting Your Career

Dartmouth’s 22-Month Online/Hybrid Master of Public Health (MPH) Program is designed for working professionals who are about passionate about driving change in health and healthcare.

- 1 course at a time online (about 15-20 hours of work per week)
- Small class sizes
- Predictable schedule (includes one 90-minute call per week)
- Visit Hanover, New Hampshire 3 times per year

### Tuition Benefit with AAPA:

Up to two **\$15,000 scholarships**

will be awarded per year for two years

### Distinctive Curriculum

Gain the knowledge and training to improve health system performance through quality improvement, leadership, health policy, and research. Design your own practicum and develop actionable insights for health systems, nonprofits, and community organizations, and more.

### Experience Dartmouth

Founded in 1769, Dartmouth is a member of the Ivy League and consistently ranks among the world’s greatest academic institutions due to its commitment to distinguished research and scholarship. Dartmouth’s MPH program is offered through The Dartmouth Institute for Health Policy and Clinical Practice, a health services and research education center at Dartmouth, and a world leader in studying and advancing models for disruptive change in healthcare delivery.

### Connect With Our Admissions Team

All AAPA-CHLM applicants are eligible for an application fee waiver and expedited application process. Contact us today to get started!
