

2023 – 2024 AAPA BOD VALUES

Unconditional Positive Regard

Fully accepting, respecting and trusting one another, assuming no malice

Communication

Sharing and seeking out information needed to support decision-making; governing through open dialogue

Curiosity

Keeping an open mind and always listening to understand; seeking out diversity of thought

Candor

Having the vulnerability to be open, honest, and transparent

Stewardship

Caring for the organization and its resources on behalf of all members

Teamwork

Working together to take action with integrity, accountability and flexibility

Solidarity

Supporting each other and standing behind board actions with a unified voice

Vision

Evolving the PA profession through innovation, calculated risk-taking, and patient-focused ideals

Belonging

Creating space for all to be heard and included in AAPA programs, leadership, membership and Board decisions
