A Comprehensive Review for the Certification and Recertification Examinations for Physician Assistants, Fifth Edition

IMPORTANT NOTICE
Please follow these instructions to ensure your work is saved.
This exam is more than 600 questions its nearly impossible to complete it in a single session! You will want to save the test as you go along. When you begin the exam, please perform the following:
- Right click and select "Settings"
- Select the folder icon
- Change the local storage slidebar to Unlimited
- Select Close

Failure to select Unlimited storage could result in losing all your answers.

CME Accreditation Statement :

This Self-Assessment CME program has been reviewed and is approved for a maximum of 20 AAPA Category 1 Self-Assessment CME credits by the Physician Assistant Review Panel. Approval is valid for three years from the release date of March 10, 2014. Physician Assistants should claim only the credit commensurate with the extent of their participation in the activity. This program was planned in accordance with AAPA's CME Standards.

Comprehensive Review for the Certification and Recertification Examinations for Physician Assistants—Fifth Edition

After you complete the **Student: Ancillary Content, Self-Assessment CME Activity**, a link will generate to take you to AAPA's Learning Central to complete the self-assessment post-test.

Login to Learning Central using your AAPA account information and complete the 80 question post-test.

After receiving a score of 70% or higher on the AAPA post-test, you will be awarded a CME certificate for 20 AAPA Category 1 Self-Assessment CME credits.
