

# PAthways Program Mentor Recruitment Western Slope of Colorado

## Are you interested in serving as a mentor for pre-PAs in Western Colorado?

### About the Program

AAPA and PAF recently launched PAthways, an initiative to foster diversity within the PA profession. This program aims to create mentorship and shadowing opportunities for pre-PAs from racial and ethnic groups underrepresented in medicine (primarily Hispanic/LatinX, Indigenous/Native American).

Mentors will receive a stipend for their time and effort.

### Required Qualifications

- PA working in Colorado's Western Slope
- Passion for mentoring minority pre-PAs
- Relevant clinical or academic experience to provide balanced mentorship

### Preferred Qualifications

- Previous mentorship experience
- Access to clinical shadowing opportunities
- Part of a racial or ethnic group underrepresented in medicine

### Responsibilities

Selected applicants must be available for program activities from Dec '24 - Dec '25.

Activities will include:

- 10-20 hours of small-group and individual mentorship sessions
- Participation in 2-3 virtual meetings of the full program cohort
- Presentations to 60 undergraduate students about the PA profession
