

# PA Students

## Suggested Schedule

Kick off your conference at the Student Sync-Up, a networking event just for PA students and pre-PAs during the Opening Reception! At Student Presentations, get tips and advice; cheer on your team or compete at Challenge Bowl; learn ultrasound at iScan 2026; and don't miss Saturday's Main Stage event featuring Chef Emeril Lagasse. Take on New Orleans with PA Adventures and PA Night Out. Plus, all students are welcome to observe the Student Academy Board of Directors Meeting.
